IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF OREGON
PORTLAND DIVISION

BENJAMIN BARBER,
Plaintiff,

Case No.3:2016cv02105

vs.

Response to Rule 16 Scheduling Conference
Telephonic Oral Arguments requested
Pursuant to Local Rule 7-1

MEAGAN VANCE in her personal capacity
AND ELLEN ROSENBLUM, BRAD
AVAKIAN, KATE BROWN, BEN CANNON,
LYNNE SAXTON in their official capacity
Defendants

I. Introduction

1. Plaintiff Barber requests a telephonic conference for the Rule 16 hearing pursuant to local rule 7-1(d), because he is unable to attend in person. Barber has received threats from people who wish to do him harm as a result of his being “the rosa parks of mens rights cockneyed barber”.¹

2. He advocated on reddit “Sometimes people who are white need to slap the fuck out of fellow white people who promote hate of others who are not white. You must police your own and show them what the violence they preach feels like for real.” and is currently stalking me.^{2 3}

3. Vance admitted in prior testimony that she and a group of people did intimate, extort, harass Barber, He had also been physically attacked at tech conferences by others.

4. Barber has been physically attacked by some of the same fringe protesters as had photojournalist Micheal Strickland, and the street preacher who was assaulted at the airport.⁴

5. In addition to the State of Oregon has been seeking to infringe on his rights, and the right of journalists and even its own Civil Rights Attorney of its Justice Department.

6. Erious Johnson who is the Director of Civil Rights for the Office of the Attorney General wrote about in his complaint containing damning evidence of Oregon 6:16-cv-02052-TC.

STATE'S PATTERN AND PRACTICE OF CIVIL RIGHTS VIOLATIONS

The chilling effect of these unwarranted investigations is part of defendants' pattern and/or practice of retaliating against and otherwise attempting to deter those who exercise their First Amendment rights, thus violating the civil rights of its citizens, political activists and, in particular its employees.

As part of that pattern and/or practice, Defendants Rosenblum and Boss have authorized or permitted the use of State resources to harass, embarrass, annoy and intimidate individuals who dare to exercise their First Amendment right to redress grievances by filing suits against the State of Oregon.

As part of that pattern and/or practice, Defendants Rosenblum and Boss have maintained a policy and an atmosphere that encourages the State's attorneys to chill the exercise of the First Amendment rights of individuals whose civil rights have been violated by the State, as well as the attorneys who may take their cases, by producing avalanches of pointless litigation designed to punish and deter plaintiffs and their attorneys who dare to litigate against the State.

Defendants Rosenblum and Boss are aware or should be aware of these practices and have failed to stop them. Their lack of action to correct these violations effectively endorses, condones and/or ratifies the conduct.

7. Barber is one such person who has undergone such a circumstance by the state, and is now coming to the court with a detailed account of the facts, and has nearly completed all evidence gathering he needed, in order to prove beyond a reasonable doubt his rights were violated.

8. Barber will likely now be able to accumulate the sufficient exhibits and memorandum by the end of this month, has already submitted all releveant information Barber has regarding the one threat to his safety and continued participation in this case: The states infringement of Barber's speech.

9. The State should have sufficient time to assert an opposition to Barbers motion of declaratory judgement, that federal court find that the State of Oregon did infringe on Barber's speech.

10. Due to the voluminous amount of material in Barber's possession for exhibits, I imagine it will take the state months to review what at least took me several months to look into every claim.

Proud of the use of violence?

[\[-\]](#) **PatrickPlan8** Hillsboro [\[S\]](#) 1 point 17 days ago

In the existential crisis of hate groups promoting violence on others and time and time again in modern times people of their same race have said lets not use violence. Sometimes people who are white need to slap the fuck out of fellow white people who promote hate of others who are not white. You must police your own and show them what the violence they preach feels like for real.

It wouldn't work if it was a black guy or hispanic guy punching a nazi, it has to be someone who is the same race and ethnic group punching said nazi. That is why someone like Captain America who is shown as blonde hair and blue eyed punching hitler is so powerful, Captain america is the weak son of two irish immigrants who were once looked down upon by WASPs just like central american immigrants are looked at. But the fact is violence only works when it shows the hypocrisy for the person promoting it when they live in privilege but feel they are persecuted by minorities.

OREGON ATTORNEY GENERAL
OREGON DEPARTMENT OF JUSTICE
1162 Court St. NE
Salem, OR 97301

PTLD CIVIL RIGHTS DIV

I, Erious Johnson, Jr., being first duly sworn, do depose and say as follows:

1. I am an African-American male.
2. I am the Director of Civil Rights for the Oregon Attorney General (AG).
3. I have been subjected to racial discrimination and a hostile work environment for engaging in protected social media activity.
4. Co-workers, and agents of my employer, designated me as a "threat" to public safety based on a racially motivated "threat assessment" for my use of the Twitter hashtag #blacklivesmatter.
5. Co-workers, and agents of my employer, then used this racially motivated "threat assessment" as a basis to subject me to an adverse employment action.
6. I was then subjected to a hostile work environment when my employer transferred one of the individuals responsible for the aforementioned racially motivated "threat assessment" to an office down the hall from me.
7. All of the individuals involved in perpetrating said racial discrimination and hostile work environment are Caucasian.
8. The Oregon Attorney General's Office (AGO) hired me in 2014.
9. On October 27, 2015, in a meeting with the AG Rosenblum, Deputy AG Fred Boss and Legislative Director Aaron Knott, I was informed that the Criminal Justice Division of the Department of Justice (CJD) was conducting a "threat assessment" with a piece software called Digital Stakeout, which is described as a "Threat Intelligence Platform."¹
10. During this October 27, 2015 meeting, I was told—in sum and substance—that this "threat assessment" involved an Investigator inputting the terms "black lives matter" and "fuck the police."
11. During this October 27, 2015 meeting, I was told—in sum and substance—that this "threat assessment" involved an Investigator limiting his search area to "Salem, OR."

¹ See <http://www.digitalstakeout.com/>, last visited March 24, 2016.

12. During this October 27, 2015 meeting, I was told—in sum and substance—that this “threat assessment” resulted in this Investigator identifying my Twitter account, @EriousEsq.
13. During this October 27, 2015 meeting, I was told—in sum and substance— that this “threat assessment” resulted in this Investigator designating me as a “threat” to public safety.
14. During this October 27, 2015 meeting, I was told—in sum and substance—that this “threat” designation resulted in this Investigator downloading my entire Twitter feed, including photographs.
15. During this October 27, 2015 meeting, I was told—in sum and substance— that this “threat” designation resulted in this Investigator compiling my entire Twitter feed, including photographs.
16. During this October 27, 2015 meeting, I was told—in sum and substance— that this “threat” designation resulted in this Investigator maintaining my entire Twitter feed, including photographs.
17. During this October 27, 2015 meeting, I was told—in sum and substance— that this “threat” designation resulted in this Investigator storing my entire Twitter feed, including photographs.
18. Upon information and belief, this Investigator brought my file to the attention of his supervisor David Kirby.
19. Upon information and belief, David Kirby brought my file to the attention of the Director of the Criminal Justice Division Darin Tweedt.
20. Upon information and belief, Darin Tweedt brought my file to the attention of the Deputy Attorney General Fred Boss.
21. Upon information and belief, Darin Tweedt brought my file to the attention of the AG’s office in an effort to negatively affect my employment, and damage my professional reputation.
22. Upon information and belief, Deputy Attorney General Fred Boss brought my file to the attention of the Attorney General Ellen Rosenblum on or about October 19, 2015, who reviewed the file, along with Aaron Knott, Michael Kron and Michael Slauson.
23. On November 13, 2015, the AG hired Carol Walker of Stoel Rives LLP as a Special Assistant Attorney General (SAAG) to conduct an audit of the aforementioned activities and provide a “written report.”²
24. As of the date of this Complaint, this “written report” has not been completed or provided.
25. As of the date of this Complaint, this “audit” has yet to be completed.
26. On or about January 22, 2016, the AG announced that she was removing Darin Tweedt from his position of Director of the Criminal Justice Division.³

28. Darin Tweedt was assigned an office on the Second Floor of Spinnaker Points located three doors down from my own office.
29. I did not discover this until February 8, 2016, when I saw Darin Tweedt come into the office through the reception area, which my office directly faces.
30. After seeing Darin Tweedt, I sent an email to both the AG and Deputy AG Fred Boss, stating "[g]ood afternoon. Didn't it occur to someone that I should have been warned that I was likely to run into Darin Tweedt at the office today?"
31. I have yet to receive a substantive response from either individual.
32. All of my postings on Twitter, including photographs, were in accordance with the Oregon Department of Justice's "Social Media Policy."

⁴ See http://www.doj.state.or.us/pdf/oregon_titan_fusion_center_privacy_policy.pdf, last visited March 24, 2016.

44. I believe that the Oregon Attorney General created a hostile work environment by placing Darin Tweedt down the hall from me and not correcting the situation despite my bringing it to their attention based on my race in violation of ORS 659A.030.
45. Had my Twitter activity involved matters other than the lives and experiences of Black people—as in African American, People of Color, Minorities, etc.—I would not have been subjected to the above violations.

I just like to keep posting about this because I worked with the asshole at Intel for an internship and he deserves everything coming to him in spades. He is a dark twisted black souled excuse spouting shit stain of a human being who relishes in tearing down women and minorities for getting privileges his cry baby delusional ass says he doesn't.

I say this being a 32 year old white male who is also a computer engineering studies returning student. Shit is a white sausage party in most of my classes and he thinks it's a good to keep it that way.
